

Padre's Point of View . . .

Petitions ~ I am slowly explaining the Mass and how I pray with you. This week, we are looking at the Universal Prayers (Petitions). There are four that we always pray for: the church, our government, the sick, and the deceased. In addition, we can add many others. I love to pray for favorable weather (i.e. for a church picnic). I have been known to pray for victory of certain sports' teams. Many think this is heretical. I think we should always pray that God's will be done, and I believe we should ask God for everything we need. These petitions are a fantastic way the community prays with one voice. Please pray in your heart when the deacon or lector leads these prayers. Add your own. I usually have 15 or 20 that I pray quietly in my heart.

World Youth Pilgrimage participants will be leaving at the end of the week for Poland. As the team will be posting updates, photos, and information regarding their pilgrimage, they invite you to follow their progress via facebook. You can stay up to date by visiting www.facebook.com/WYD2016SpringfieldIL/.

Thank you to the parishioners who attended last weekend's Eucharistic Minister training. I am amazed by this story! Abraham, sitting at this doorway under a tree, sees three strangers approach. He runs to greet them. He helps to bathe their tired, dusty feet. He sits them down under his tree. He feeds them. They engage in conversation. The story is a little ambiguous, but Abraham comes to know them as someone(s) divine. He responds with lavish hospitality. Perhaps, my mercy work this week is wrestling with these discipleship questions:

- ~ *How will I greet and treat strangers?*
- ~ *Who and how can I literally bathe with kindness?*
- ~ *Who will I feed dinner?*

Pro-Life Corner

PLEASE TAKE ACTION

Please contact Governor Rauner to ask him to veto S.B. 1564, a pro-abortion bill that has already passed the Illinois House and Senate and is awaiting the governor's signature. According to Americans United for Life (AUL), this bill would dramatically reduce Illinois' conscience protections for health care providers and pro-life pregnancy centers. Pro-life pregnancy resource centers (like our local Family Life Center) would have to, at minimum, provide in writing a list of providers they reasonably believe offer abortion. AUL goes on to say that, essentially, the bill will be "forcing pregnancy centers to advertise for abortion clinics". LifeSiteNews.com states the bill would require all medical providers in the state to refer for abortions and counsel clients as to the "benefits" of abortion. Call the Governor's office in Springfield at 217.782.0244 or in Chicago at 312.814.2121 and respectfully ask him to veto Senate Bill 1564 and House Bill 5576 (*this forces insurance companies to pay for abortion drugs like Plan B and Ella.*)
